Cart rules

- Multi-item cart: customer configures each item (category !' dish !' size !' qty !' proteins) then clicks Add to Cart.
- Cart cap: maximum 5 DISTINCT meals (soups, stews, breakfast). Drinks, snacks, seeds, platters are unlimited.
- 'Distinct' = distinct dish — ordering 2L + 5L of the same soup counts as ONE meal.
- Pepper level: required slider (Low / Medium / Really Peppery) — must be deliberately moved; default alone does not count.
- Items removable from cart at any time. Live price updates instantly.

Rush fee — charged when delivery is within 24 hours of booking

Distinct meals in order	Rate per meal	Total rush fee
1 meal	₺20,000	₺20,000
2 meals	₺15,000	₺30,000
3 meals	₺13,000	₺39,000
4 meals	₺12,000	₺48,000
5 meals	₺10,000	₺50,000

!9 Rush fee applies to food items only (soups, stews, breakfast). No rush fee for drinks, snacks, seeds, platters.

Booking reference format

SEO requirements (all pages)

- One <h1> per page containing primary keyword naturally.
- Unique <title> under ~60 characters including 'Lagos'.
- Unique <meta name='description'> under ~160 characters.
- <link rel='canonical'> pointing to page's own URL.
- Open Graph tags: og:title, og:description, og:type on every page.
- JSON-LD Restaurant/LocalBusiness schema on homepage (name, cuisine)
- alt text on every image describing what it shows.
- sitemap.xml listing all live pages; robots.txt pointing to it.
- Every price in Naira (₦) with comma formatting.
- Every product 'Order' button opens wa.me/2348105506052 with item name

!9 On-page SEO is necessary but not sufficient for ranking. Results typically take months of consistent effort in a competitive market.
